

DEMO-DOZER

**The Ultimate
Attachment**

The Right Tool for the Job Performance You Can't Do Without

The Loegering Demo-Dozer is the most versatile attachment on the market today for your skid-steer. It combines all the capabilities of most other buckets into one very unique attachment. Concrete and asphalt removal, removing obstructions, demolition and sod and vegetation removal are just some of the ideal applications for a demo-dozer.

Experience the Ultimate Attachment

Increase your job completion times by not having to change attachments. The Loegering Demo-Dozer provides you with greater performance, increased savings and versatility.

Performance...Savings...Versatility

- ◆ Greater job performance
- ◆ Increased profits
- ◆ Reduced labor costs
- ◆ Quicker job completion times
- ◆ Fewer attachment changes

Standard Equipment

Recessed grease zerks, cylinder and hose covers, predrilled base edge, quick couplers, connection hoses to skid-steer, removable side plates, and two outside access steps

Add a Loegering Demo-Dozer to your skid-steer and prepare to be amazed!

Covered by US Patent Number 6526678.
